

Educational neuroscience of language learning and dyslexia: Where are we and where can we go?

Saturday, June 5th 2010
1:40 - 4:40 p.m.

ETH Zurich
Main Building (HG G 60, Semper Aula)
Rämistrasse 101, Zurich, Switzerland

Satellite Symposium of EARLI SIG 2010:
Educational Neuroscience: Is it a field?

Organizing committee:
Dr. phil. Urs Maurer & Dr. sc. nat. Silvia Brem
Department of Child and Adolescent Psychiatry
University of Zurich
Neumünsterallee 9
CH-8032 Zurich
symposium@kjpd.uzh.ch

Scientific program	
Time	Speaker and Title
1:40 – 1:45 p.m.	Welcome address
1:45 – 2:25 p.m.	Dr. Fumiko Hoeft, <i>Stanford University School of Medicine, USA</i> Neuroprognosis: Predicting reading outcome in children using neuroimaging
2:25 – 2:45 p.m.	Dr. Martin Kronbichler, <i>University of Salzburg, Austria</i> Dyslexia, reading fluency and the left occipitotemporal cortex
2:45 – 3:05 p.m.	Prof. Dr. Hansjakob Schneider, <i>Zentrum Lesen, Fachhochschule Nordwestschweiz, Switzerland</i> Reading socialization and reading competence: an educational perspective
Coffee break	
3:30 – 4:10 p.m.	Prof. Dr. Jason D. Zevin, <i>Weill Cornell Medical College, New York, USA</i> Functional architecture for reading across scripts and languages
4:10 – 4:30 p.m.	Dr. Narly Golestani, <i>University of Geneva, Switzerland, and University College London, UK</i> Neural bases of language learning and expertise
4:30 – 4:40 p.m.	General discussion and concluding remarks

Registration Options	
Early registration*	until May 15th, 2010
Regular participant	30 CHF
Students	20 CHF
Late/ onsite registration*	until June 5th, 2010
Regular participant	50 CHF
Students	30 CHF

*number of conference attendees is limited – please register as early as possible!

For registration please send an email with **name, surname, address and institution** to

symposium@kjpd.uzh.ch

Please make your deposit into the following account (your registration is valid after paying the registration fee):

Account: 30-706814-8
IBAN: CH35 0900 0000 3070 6814 8
BIC: POFICHBEXXX
Comment: „Educational Neuroscience 2010“
Account holder: Rechnungswesen der Universität Zürich, ZKJP, 8001 Zürich
